**Subject:** LACCD CAMPUS FACILITY STANDARDS – Addendum 1

The Campus Facility Standards are provided by each of the nine colleges as a guide for what is generally accepted, the individual college's preferences and their list of approved manufacturers.

Please be advised the Facility Campus Standard Matrix is a living document; therefore please check with the Director of Maintenance & Operations to verify the version posted is the most recent.

Deviations are not permitted. In the rare case, when there is a valid need to deviate from these Standards, a written request will need to be submitted in writing and a formal written approval will be required by the Campus Maintenance & Operations (M&O).

Conversely, these Standards are not to be deviated from for the purpose of Value Engineering.

**Please be advised that the following need to be universal and may not be proprietary . These are applicable to to all District Facilities. For further details, please refer to the LACCD Facilities Design Standards.**
