**CAMPUS STANDARDS- MATRIX**

(Note: Campus Preferences are indicated first, followed by additional manufacturers which are being considered by LACCD.)

**PLEASE READ & FOLLOW THE DIRECTIONS PROVIDED BELOW**

"The Campus Standards Matrix is to be used as a guide . PC has a comprehensive design standards which governs the design of any of our projects. In case there is a valid need to deviate from these Standards , a request will need to be submitted in writing to and a formal written approval needs to be received from the PC Campus Maintenance & Operations (M&O) or IT Departments.

This is a living document and updates regularly ; therefore , one should check with the M&O Department for the most updated version before proceeding

These design standards are not to be deviated from for the purpose of value engineering unless formally approved by M&O or IT
