

Los Angeles Southwest College - Campus Standards Matrix

Note: Campus preferences are indicated first followed by additional manufacturers which are being considered by the College and/or the District).

This Campus Standard Matrix is to be used as a guide. In case there is a valid need to deviate from these Standards, a written request will need to be submitted in writing and a formal written approval will be required by the Campus Maintenance & Operations (M&O). This is a living document and is updated regularly.

These Standards are not to be deviated from and for the purpose of Value Engineering. The college will have the right to refuse and have changed on contractor expense.
