

BuildLACCD

The Principles of Scheduling Workshop

Schedule of Values and the Payment Application Process

WEDNESDAY, March 22, 2017 | 5:30PM – 8:00PM

PURPOSE:

To help small contractors furnish a schedule of values that outlines the portions of the total contract sum and allocate values for the various scopes of work. Additionally, an overview of the payment application process will be provided.

The BuildLACCD team will provide an update on the \$6.2 billion college campus construction program and provide a list of future contracting opportunities.

LOCATION:

LOS ANGELES TRADE TECHNICAL COLLEGE
ASPEN HALL ROOM 101
400 W. Washington Blvd, Los Angeles CA 90015
