The Los Angeles Community College District (LACCD) Small Contractor Boot Camp is a six-week program that provides small contractors with the tools necessary to improve their competitive capacity through a comprehensive, hands-on curriculum. At the conclusion of the 6-week boot camp, small contractors will be ready to bid on BuildLACCD contracts.

Curriculum Includes:

- Bonding & Certification
- Access to Capital
- How to Bid on BuildLACCD Contracts
- The Principles of Estimating
- The Principles of Scheduling
- How to Develop a Safety Plan
- Labor Compliance
- Project Labor Agreement (PLA)
- Local Hire Worker Program

LACCD's \$9.5 billion building program seeks to modernize and renovate projects throughout its nine colleges. The Board of Trustees established a 30% Local, Small, Emerging, and Disabled Veteran (LSEdV) participation goal for all BuildLACCD Program contracts. This provides numerous opportunities for LSEdV firms to participate as the most recent voter-approved Measure CC kicks into high gear.

**\*Please note: no session on April 3, 2019**
