Through a comprehensive, hands-on curriculum, small contractors will learn more about the pre-qualification process for the Pre-Qualified Service Provider (PQSP) bench contracts for projects ranging from \$25K - \$5M, how to bid for work, and successfully execute BuildLACCD construction projects.

Curriculum Includes:

- Qualifying for Pre-Qualified Service Provider Bench
- Bonding & Certification
- Access to Capital
- Estimating
- Scheduling
- Sustainability
- Safety
- Labor Compliance
- Project Labor Agreement (PLA) Requirements
- Local Worker Hire Program

LACCD's \$9.6 billion building program seeks to modernize and renovate projects throughout its nine colleges. The Board of Trustees established a 30% Local, Small, Emerging, and Disabled Veteran (LSEDV) participation goal for all BuildLACCD contracts. This provides numerous opportunities for LSEDV businesses to participate on the program.
